**EUCARPIA** EUROPEAN ASSOCIATION FOR RESEARCH ON PLANT BREEDING  
EUROPAISCHE GESELLSCHAFT FÜR ZÜCHTUNGSFORSCHUNG  
ASSOCIATION EUROPÉENNE POUR L'AMÉLIORATION DES PLANTES

On the behalf of the EUCARPIA Vegetable section, the conference organizing committee is pleased to invite breeders, researchers and others to participate in:

## **Cucurbitaceae 2008**

**IX<sup>th</sup> EUCARPIA Meeting on Genetics and breeding of Cucurbitaceae**

**Avignon - France  
May 21-24, 2008**

## Location

The meeting will take place in the historical city centre of Avignon. Avignon is located in south-east of France, an important vegetables and fruits production area.

## Scientific programme

The EUCARPIA meetings on Cucurbitaceae are held every 4 years. **Cucurbitaceae 2008** intends to bring together all the researchers involved in Cucurbits genetics and breeding to share new developments in all aspects of:

- Genetic resources
- Genetics and breeding
- Genomics and biotechnology

The scientific programme includes oral and poster presentations submitted to the scientific committee. The meeting will be conducted in English.

The meeting will include a one-day technical trip.

## Pre-registration

Please register on the web site:  
<http://www.inra.fr/cucurbitaceae2008>

This will enable you to receive information about the meeting, to register to the meeting and to submit oral communications or posters.

## Registration

Please register to the meeting on the web site

- On line registration opening:  
**May 01, 2007**
- Deadline for low registration fee:  
**January 15, 2008**
- Final registration (regular fee):  
**May 01, 2008**

## Call for paper

The organizing committee invites researchers and breeders to submit presentations:

- Submission of posters and oral communications:  
**May 01, 2007 - January 15, 2008**
- Notification of acceptance by the scientific committee:  
**March 15, 2008**

The presentations will be published in the conference proceedings and on the meeting web site at the time of the event.

## Organizing Committee

- Claudie Arliaud (secretary)
- Nathalie Boissot
- Jean-Paul Bouchet
- Véronique Chovelon
- Catherine Dogimont
- Michel Pitrat
